REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicants amended claims by incorporating the allowable subject matter in the independent claims. The allowability, at least in part, resides in the structure and method of cooling for the electronic device by placing the power units of the frequency converters at the back of the cabinet and placing the control units at the front of the cabinet and separating the front and the back with the wall in combination with other claimed elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Boris L. Chervinsky whose telephone number is 571-272-2039. The examiner can normally be reached on 8-5.
